DEAR PARENTS AND STUDENTS,

*We thank the Lord for the privilege of educating children through our Christian school ministry. Psalm 78:4 says, “Shewing to the generation to come the praises of the LORD, and his strength, and his wonderful works that he hath done.” This verse summarizes what our school seeks to accomplish in the hearts of our students.*

*Our staff, which is employed as an extension of our church ministry, is dedicated to each child's success. You will find that the sincerity of their love proves to be an asset to your child's education. They will seek to train the “whole” child which includes emotional, mental, physical, and spiritual aspects. The main mission of our school is to produce students who are saved and who possess the mind of Christ. We seek to fulfill this goal while providing a good, solid education, a strong, spiritual foundation, and Biblical principles upon which to build a Christian life. It is our prayer that each of our graduates would become outstanding citizens who contribute in positive ways to society as a whole through their local church.*

*While this handbook can in no way answer each and every question, it is designed to help parents and students gain an understanding of the school's general policies. Please pray that God will help you as you read and follow these guidelines for the success of your child's education here at FBA.*

*Yours for Christian Education,*

*Thomas J. Odom*

*Pastor/Principal*

## STATEMENT OF FAITH

First Baptist Academy is a ministry of the First Baptist Church of SW Broward in Cooper City, Florida. It is owned and operated by this church under the leadership of the pastor. The school firmly believes and teaches without apology all principles and doctrines found in the church's statement of faith which embraces the Biblical, Baptist position. A brief summary of the church's statement of faith can be found on a preceding page. A more detailed statement of faith can be found on our church website, [FBCBroward.com](http://FBCBroward.com).

With these beliefs in mind, First Baptist Academy believes that the Bible is the infallible, plenary, inspired Word of God and is the final authority of faith and practice. We believe in the importance of its influence in the lives of our students. This is why Scripture memory is required for each class. Each subject is biblically-integrated which gives principles for the students both to serve as a basis for the knowledge learned and as a guide for further growth and strength. Because of our beliefs concerning the Bible, a Bible class or a chapel service is held every day for all grades. Each teacher and student is required to participate fully in all of the services and functions of chapel. First Baptist Academy uses the King James Version of the Bible in all classroom instruction, Bible memory, and chapel services.

## PHILOSOPHY

Colossians 1:18 says, "...that in all things he (Jesus) might have the preeminence." The purpose of First Baptist Academy is not to offer an alternative to the government school system nor to provide only a private education. It is rather to provide a solid Christian education based upon God's Word in a loving atmosphere. FBA is not a corrective institution but is a preservative haven for today's children and youth. This is accomplished by allowing Jesus Christ to have the preeminence in the lives of all those who have a part in this ministry. Our goal, which is also the goal of Christian education, is to develop the mind of Christ by training students to serve Jesus Christ from the heart.

### The Pupil:

At First Baptist Academy, we believe Christian education begins in the home. The Christian school is not a substitute for the godly teaching of Christian parents but rather is an extension of a Christian home. Christian education is not an end; instead, it is just the beginning for your child to be further developed in every way. We believe that children are a heritage of the Lord. The Bible says, "*Train up a child in the way he should go: and when he is old, he will not depart from it.*" (Proverbs 22:6) We take the responsibility of educating your child seriously. Our highest goal is to see your child come to know Christ as Savior. This goal is then followed by their learning the joys of the Christian life while building character and academic knowledge. Small student/teacher ratios provide the security of a caring teacher in a loving environment.

### The Curriculum:

Luke 2:52 says, "And Jesus increased in wisdom and stature and in favor with God and man." A good education is obtained in teaching subjects as they relate to man. A great education is obtained in teaching subjects as they relate to Christ and then man. Our goal is to give your child a spiritual and academic education starting from the mandatory pledges of the flags and Bible in the morning to the closing prayer for dismissal in the afternoon. FBA curriculum is designed and taught with the students'

needs in mind. Curriculum for each grade is organized and developed so that your child will receive superior training in all subjects. Kindergarten through 12th grade classes receive training from the ABeka curriculum which was established in 1972 and Bob Jones Press which was established in 1973. All subjects are taught from a Christ-centered world view. Daily Bible training is designed to enhance your child's spiritual development while providing an opportunity for your child to know the complete truth in all subjects. Social development is encouraged through the teaching of good habits, high moral standards, patriotism, and respect for parents and authority.

#### The Faculty and Staff:

Our faculty and staff are saved, loving and dedicated Christians who are faithful members of this local, New Testament church. They serve the Lord in ministries such as: Sunday School, choir, bus routes, and youth. They are committed to God, His Word, their country, and the principles upon which this school was founded. They are dedicated to the responsibility of securing the best education possible for your child. They seek to be role models who are committed to success where your child is concerned. Our pastor/principal is the ultimate authority responsible for our school. Our teachers' job is to work hand in hand with all parents to provide for the development of strong Christian character and academic excellence in the lives of every student.

## ACCREDITATION & MEMBERSHIPS

First Baptist Academy is registered with the Department of Education for the State of Florida and is working under the umbrella of ABeka Academy in Pensacola, Florida which is also recognized by the Department of Education for the State of Florida. We are a member of the Florida Association of Christian Colleges and Schools, FACCS. We are currently seeking full accreditation through Florida Association of Christian Colleges and Schools, FACCS.

## ADMISSIONS

As a private institution, First Baptist Academy reserves the privilege of setting and maintaining standards of conduct, dress, cleanliness and scholarship. All applicants seeking admission must secure an interview with the registrar, provide all forms of immunization, health and academic progress, and submit the application forms as well as any other forms required for admittance. The results of the above mentioned will be reviewed as the basis for which eligibility and availability for admission will be determined. It is the policy of the First Baptist Academy to require the parents and prospective students to be faithful members of First Baptist Church of SW Broward or a Bible-believing church of like faith before entry and during enrollment of the school year.

Each middle and high school student must be interviewed by the administrative staff to review character, performance, and academics before being accepted for enrollment in FBA. Acceptance will be based upon the discretion of the school principal.

A probationary period of six school weeks is applicable for all new students. First Baptist Academy reserves the right to review the conduct, scholastic achievement, and behavior of each child. To complete this trial period, the student must receive a satisfactory conduct evaluation. As a private, Christian institution, admission to First Baptist Academy is a privilege rather than a right. This privilege

may be forfeited and enrollment terminated should a student, new or returning, fail to meet his or her responsibilities as stated in the policies and practices established by the Administration.

Entry to the school is obtained in the order as follows:

1. Faithful members in good standing of First Baptist Church
2. Students who are accepted for re-enrollment
3. Prospective students on the waiting list
4. Prospective students in the community

## NON-DISCRIMINATION POLICY

First Baptist Academy makes no distinction in the admission of its students on the basis of race, color, nationality, or ethnic origin in administration of its practices, educational policies, athletic and school-administered programs.

## RE-ENROLLMENT

Re-enrollment takes place earlier than general registration in order to guarantee acceptance. A re-enrollment form and fee will be required before the end of school to apply for re-enrollment. All applications will be approved at the sole discretion of the school. If re-enrollment is not granted, the fee will be refunded. If a family decides to withdraw from FBA before the start of school, FBA has the right not to refund the registration fee or any other fees already paid for the upcoming year.

## ACADEMICS

One of our top priorities is academic excellence. With this in mind, parents will be well-informed of academic progression through special forms and meetings. Kindergarten students will receive regular materials updating parents of development. All students will receive quarterly report cards (approximately every nine weeks). Each child will be assigned appropriate, but not excessive homework. It is the parent's job to make sure the homework is completed. There is no homework on Wednesdays for students who attend the mid-week church service and who have shown a reasonable effort to complete their work during the school day.

## STANDARDIZED TESTING

Each student in kindergarten through 12<sup>th</sup> grade will be required to participate in a standardized achievement testing program each year which will show the student's academic progress for that year. Results from this testing are made available at the request of the parents. 11<sup>th</sup> and 12<sup>th</sup> grade students are encouraged to take SAT and/or ACT's. If 12<sup>th</sup> grade students have taken their SAT or ACT's by the spring of their senior year, they are exempt from the 12<sup>th</sup> grade school standardized testing.

## PARENT ORIENTATION & OPEN HOUSE

At the beginning of each school year, a Parent Orientation and Open House Meeting will take place which is vitally important for parents to understand the curriculum and procedures. All students and parents are expected to attend for their child's educational benefit. Parents are encouraged to stay in constant contact with their child's teacher either by written communication or by appointment. Parents should support the Christian school teacher by continually instilling Christian instruction in the home as found in Deuteronomy 6:6-9.

## CHRISTMAS PROGRAM, CLOSING PROGRAM & K-5 GRADUATION

Each year our students perform a Christmas Program and a Closing Program. These programs give the students an opportunity to be involved in various facets of speech and drama performance. The Closing Program is a time in which each class exhibits a portion of what they have learned throughout the school year. Each student is required to participate unless programs are scheduled contrary to their own church services. Upon completion of all subject material, K-5 students graduate in cap and gown and receive their kindergarten diploma on the night of the Closing Program. A K-5 graduation fee will be obtained upon enrollment for this event.

## GRADUATION REQUIREMENTS

High school seniors must meet all of the school's requirements to graduate. The school expects each graduate to be a saved, faithful church member preparing to further their education while maintaining a good, Christian testimony. In order to graduate, each student must earn 24 high school credits in the approved subjects, meet the standards of conduct of FBA, and maintain a good and respectful attitude. A graduation fee is required at the beginning of the school year.

The 24 credits required for graduation are:

- 4 Bible credits (or as many years as enrolled in HS at FBA)
- 4 English credits
- 4 Math credits
- 3 Science credits
- 3 Social Studies credits
- 2 Foreign Language credits, must be in the same foreign language and in consecutive years
- 1 Physical Education credit, including the integration of Health
- 1 Computer Credit
- 2 Elective Classes
- Students can graduate with more than 24 credit hours.

Students entering their 9<sup>th</sup> grade year will have a meeting with the high school dean to discuss their graduation requirements for their high school years.

## DUAL ENROLLMENT

High school juniors and seniors must meet the following guidelines to participate in available dual enrollment options through First Baptist Academy.

- Outstanding testimony with faculty, staff, and students. Students with a history of discipline issues will not be allowed to participate in Dual Enrollment.
- An overall GPA of 2.67 (B-) or higher
- Have not failed a high school class

Dual enrollment classes that will be taken for both high school credit and college credits can be taken only from approved accredited colleges. FBA reserves the right to choose which colleges are used for dual enrollment. A student must meet with the High School Graduation Counselor to approve of all dual enrollment classes prior to the student being enrolled in the classes. FBA will pay costs of dual enrollment classes for up to 11 credit hours. If a student fails a dual enrollment course paid for by FBA, they will be required to pay the school back for the course.

FBA reserves the right to require juniors and seniors to take specific FBA classes their junior and senior year and not allow them to be replaced by a college dual enrollment course. These classes include, but are not limited to: 11<sup>th</sup> and 12<sup>th</sup> English, Geometry, US History, Government, Economics, Chemistry, and 11<sup>th</sup> and 12<sup>th</sup> Bible classes.

D = 63%-66% (1.00)		
D- = 60-62% (0.67)		

## HIGH SCHOOL TRANSCRIPTS

One high school transcript will be sent without charge at the student's written request following graduation. After school begins the following fall, each transcript will be subject to a \$10 transcript fee and will be released only to a college or place of employment upon receipt of a written request and payment of transcript fee.

## ABSENCES, TARDIES, & EARLY DISMISSALS

Regular, punctual attendance at school is expected and required, as attendance is essential to the learning process. All high school students, grades 9 through 12 are permitted a total of 20 unexcused absences per school year. After this, our school is required to revoke all credit for each and every subject, causing immediate failure. However, students are still required to remain in school for the remainder of the school year. Failure to do so, will force the school to notify the proper authorities. All school students in Kindergarten through 8th are permitted to have 30 unexcused absences. After this, it could result in the student failing the grade. Every effort should be made to schedule appointments (doctor, dentist, etc.) after school hours.

In the case of a tardy or absence due to sickness or doctor's appointment, a note is required from the parent or doctor to be considered excused. Without a note, they will receive a zero on quizzes and tests that they miss which cannot be dropped from their class's gradebook (if a class drops the lowest quiz or test grade). Make up assignments must be arranged by the students, parents and teachers.

In the case of early dismissals, notes must be given to the academy office **at the start of the school day** if a student is being dismissed early from school. Without a note for early dismissal, the office cannot guarantee a swift dismissal process for the student. When picking up students early from school, parents/guardians must go by the office to sign out their students. Do not go directly to the classrooms. The office will send for the students from their classrooms for dismissal. Make up assignments must be arranged by the students, parents and teachers.

In the case of an absence due to a planned trip during the school year such as a family vacation or trip, prior approval must be obtained by the administration before the trip. Parents must notify the Registrar, Mrs. Carolyn Odom, via email. Without this approval, any absent days will be unexcused and the student will receive zeroes on quizzes and tests they miss (which cannot be dropped from their class's gradebook). Make up assignments must be arranged by the students, parents and teachers.

All students must report to class by 9:30 a.m. or an unexcused absence for the entire day will be given, excluding unpreventable circumstances such as a doctor's appointment. Five morning (first period) unexcused tardies for each grade level will constitute one absence.

For grades 7-12th, every 3 unexcused tardies in a class period will result in a detention. Every unexcused tardy results in a demerit. Tardy counts reset at the beginning of the next quarter. Students coming late to class must bring a written excuse to be excused from being late. Students in 7-12<sup>th</sup> grades will be considered absent if they miss 4 or more classes during the school day. They are considered half-absent if they are only present for 3 classes.

When a student misses a class that had a test or quiz, the student has 2 days of school to make up the quiz or the test before receiving a docked grade or even a zero. **Students and parents must speak with each teacher and schedule the time to make up missed quizzes or tests.** If a student does not make up missed work, they will receive a zero without exception.

## SCHOOL HOURS

School begins at 8:45 a.m. and dismisses from 3:15 p.m. to 3:20 p.m. Students may not be dropped off before 7:00 a.m. and may not remain in the school's care after 6:00 p.m. Students are encouraged to arrive by 8:35 a.m. to give them time to be in their classrooms and seated by 8:45 a.m. If a student is not in their class by 8:45 a.m. they will be counted tardy (see Absences, Tardies, & Early Dismissals section). It is suggested that students arrive 10 to 15 minutes before class begins (8:45 a.m.) to provide proper time to prepare for the start of school.

For students that drive their own automobiles (see Automobiles section), students must leave the school property in a reasonable amount of time after school unless involved in FBA extracurricular activities. Loitering in the hallways, office or classrooms after school will not be permitted.

## FINE ARTS AND ELECTIVES

**Fine Arts:** Grades one through twelve will participate in our speech program which consists of oral and written reports given throughout the year. Students can be eligible to perform at school functions as well as give testimonies, provide special vocal or instrumental music in chapel services and special meetings. Students can receive speech instruction through our school programs each year in which each child can be given a speaking or singing part.

**Art:** All students from kindergarten to sixth grade will participate in an art class at least once a week.

**Bible:** All students will be required to complete the Bible course given for their grade. High school students may complete no less than one Bible credit per year of High School while enrolled at FBA.

**Foreign Language:** All high school students are required to earn two credits in the same foreign language to graduate.

**Physical Education:** All students will be given breaks throughout the day from class for social interaction and rest. Physical Education Class is required for grades first through ninth. All students are highly recommended to participate in the sports program for grades 3 through 12.

## DISCIPLINE

The Bible clearly teaches that parents are given the responsibility to discipline their children. However, at school, parents delegate the responsibility to school officials. Parents need to view the school as a partner in the discipline process which requires support for its role in the daily life of the child. The objective of FBA is to educate students. Discipline and self-discipline is necessary to develop the student's personal limits in order for him to enhance his society and please the Lord. This discipline system is provided to give the parents and students an overall view of general behavior. This section is in no way conclusive. Administration reserves every right to review each case individually and rule accordingly.

## DEMERITS & DETENTIONS

Demerits can be given each day. Three or more demerits per class per week constitutes a detention. If a demerit is given between periods, the demerit will go toward their next class period. When a student receives a demerit, an email will be sent home from the teacher to the parents. A student may be issued a detention on the spot for excessive misbehavior at the discretion of the staff member. Violations in the following areas will result in discipline, at the discretion of the administration, ranging from demerits to legal action.

- Bullying/intimidation/harassment (see Bullying/Intimidation/Harassment section)
- Reckless driving on campus
- Vulgarity/profanity
- Fighting/physical altercations
- Intentional, inappropriate contact with another student
- Dishonestly (Lying, cheating)
- Possession or use of tobacco in any form
- Offensive or profane literature
- Theft
- Possession or use of any alcoholic beverage
- Possession or use of any controlled substance
- Vandalism
- Possessions of a weapon (including pocket knives of any kind)
- Assault

Parents will be notified by e-mail when their child is given a demerit. Discipline reports may also be viewed on the Parent Portal. Demerits will accumulate throughout the semester and will result in disciplinary action as the following increments:

- 10 demerits in a semester – Parent conference with the teacher.
- 15 demerits in a semester – After school detention.
- 20 demerits in a semester – 2<sup>nd</sup> after school detention.
- 25 demerits in a semester – 3<sup>rd</sup> after school detention.
- 30 demerits in a semester – One day In School Suspension.
- 35 demerits in a semester – 4<sup>th</sup> after school detention.
- 40 demerits in a semester – Three day Suspension (can be either ISS or OSS, Administration will determine)
- 45 demerits in a semester – 5<sup>th</sup> after school detention.
- 50 demerits in a semester – Expulsion from the school.

After school detention will be served on the Monday, Wednesday, or Friday immediately following the day they were notified of the detention.

- Parents will be notified of a student's detention by e-mail and by the academy office.
- Detentions are served on Mondays, Wednesdays, and Fridays immediately following their last class period.
- They must report to the designated detention room by 3:30 and will stay in detention until 4:00.

- They will miss any extracurricular activities they maybe involved in after school until their detention is finished.
- Any student who is late or misses detention will serve another detention and receive a demerit on their demerit count. If a student is sick on the day of their detention, they will be required to serve that detention on the next available detention day (Monday, Wednesday, or Friday) they return to school.

If a child is not compliant with school officials or school rules, the child will be released from school for that day and a parent will be called and required to take the child from the school immediately. Permission must be obtained to re-enter class the next day. Each class has a detention limit for the same offense. After a student has reached the limit, another disciplinary action will be taken.

## IN SCHOOL SUSPENSION (ISS), OUT OF SCHOOL SUSPENSION (OSS) & EXPULSION

ISS and OSS are methods of discipline that build to expulsion when students have violated standards of conduct or have repeated offenses. When a student has multiple ISS violations for one or more offenses, the next offense will be OSS and then expulsion. Parents will be notified when a child receives these levels of discipline. A counseling session will take place before disciplinary action of this kind is taken. Administration will record the ISS or OSS and keep a record of it in the student's file. Parents, students and administration will sign the record of the suspension. In School Suspension takes place in a designated area and the student may have no contact with other students. Out of School Suspension constitutes a serious offense or repeated offense(s) and is administered by the school administration. For OSS, the student is counted as being absent and no school work may be completed during this time. Expulsion is the next step of discipline for a student who has already received ISS and OSS. Expulsion takes place when a student has violated the standards of conduct as listed below, when offenses are repeated, or when the administration deems necessary. When expulsion occurs, all credit will be revoked for at least the current or previous semester and can exceed one semester if deemed necessary by the administration. When a student becomes intolerant of the rules and is a constant offender with behavioral problems, he may cause his parent to be asked to withdraw him from the school. All discipline is administered on an individual basis and is subject to the discretion of administration.

## STANDARD OF CONDUCT

As a Christian school, our philosophy is to teach students to behave like Christians at all times. Blatant disrespect for any staff or faculty member, any sexual misconduct, and any use of tobacco, e-cigarettes, alcohol, drugs or other criminal activity could result in immediate expulsion upon review by the administration. Students who consistently possess an attitude that is contrary to the spirit of FBA will also be subject to expulsion. In cases of direct defiance of these guidelines in the public eye, FBA reserves the right to allow suspension and expulsion to be factors of the administration's disciplinary action.

First Baptist Academy expects each student and parent to respect the Bible-based beliefs that it teaches and practices. Therefore, worldly pursuits are to be avoided such as: watching inappropriate movies, worldly music, or any other activities considered worldly. Students in grades 7-12<sup>th</sup> also must read and

sign the Student's Conduct Agreement each year. The Student's Conduct Agreement can be found at the end of this Parent & Student Handbook.

Students are asked to conduct themselves in a Christ-like manner in areas of courtesy, good classroom behavior, and general hygiene. Students must abstain from gossip, stealing (which is also borrowing without asking), fighting, forceful physical contact, cheating, lying, slang language, taking of the Lord's name in vain, etc. Students can receive demerits if they are found to be in violation of these guidelines.

The property of First Baptist Church, the Academy, its faculty and staff is to be respected and treated with care. If any student is caught damaging, stealing, or altering church, school, or the personal property of another person, the administration will contact the parents and apply a punishment it deems appropriate. The family of the student will be billed for the damages done to the property.

## BULLYING / INTIMIDATION / HARASSMENT POLICY

First Baptist Academy prohibits acts of harassment, intimidation, and bullying. Harassment, intimidation, or bullying means any gesture, written on paper or electronically, verbal, physical, or psychological act that takes place on school property and any school-sponsored function that:

- Is motivated by any actual or perceived characteristic, such as race, color, national or ethnic origin, or a mental or physical disability; or
- By another distinguishing characteristic; and
- A reasonable person should know, under the circumstances, that the act will have the effect of harming an individual or be damaging to an individual's property; or
- Has the effect of insulting or demeaning any individual or group in such a way as to cause substantial disruption in, or substantial interference with, the orderly operation of the school.
- Acts of harassment, intimidation or bullying may also be a pupil exercising power and control over another pupil, in either isolated incidents (e.g., intimidation, harassment) or patterns of harassing behavior (e.g., bullying). This policy for student conduct will be suited to the age level of the student. This policy requires all students to adhere to these rules and to be aware of such disciplinary measures as are appropriately assigned for violation of these rules and guidelines.
- Sexual harassment is defined as any unwelcome physical or verbal conduct of a sexual nature, such as touching or grabbing, or sexual comments, directed at a person.
- Students are expected to treat their fellow students with dignity and respect at all times on school property and during school programs and activities. Students are strongly encouraged to report acts of harassment to teachers or administrators immediately. The Academy will investigate any report of such behaviors and will take prompt and appropriate action to resolve the situation and prevent its continued occurrence.

## BOY/GIRL INTERACTION

Wholesome Christian friendships between boys and girls are encouraged. The school does not encourage students dating unless completely supported by both sets of parents and reserves the right to discern and act accordingly. Hand holding, kissing, or any other bodily contact between opposite sexes will not be tolerated at any time of the student's enrollment. This includes school and church-

sponsored activities as well as any other endeavors on and off campus. A six-inch rule is enforced in all interaction between genders.

## WEAPONS

Possession of any type of a weapon, including pocket knives and toy weapons, will be considered grounds for expulsion. Use of any weapon, discharge of any firearm, or threat will result in immediate expulsion without any review by the school administration. Proper authorities will be notified when necessary.

## ATHLETICS

First Baptist Academy offers Varsity (grades 9<sup>th</sup>- 12<sup>th</sup>), Middle School (grades 6<sup>th</sup>- 8<sup>th</sup>), and Elementary (grades 3<sup>rd</sup>- 5<sup>th</sup>) athletics. Students in grades 3<sup>rd</sup> through 12<sup>th</sup> are strongly recommended to participate in the sports program. Before a student can participate in the athletic program, parents must sign an athletic liability release form, students must sign the "Athletic Code of Conduct," and the athletic fee must be paid. The varsity fee (grades 9<sup>th</sup>- 12<sup>th</sup>) is \$150 per sport, the middle school fee (grades 6<sup>th</sup>- 8<sup>th</sup>) is \$125 per sport, and elementary (grades 3<sup>rd</sup>- 5<sup>th</sup>) is \$100 per sport. The sports fee will be billed to FACTS Incidental Fees at the beginning of the sports season. Athletes cannot play in a game until the sports fee is paid.

Students will be eligible to participate in athletics by maintaining good academics, with a grade average of a C or higher, and a strong Christian testimony. Student athletes cannot have an F in two classes and still be on the sport teams even if their overall average is a C. Physical Education classes will be conducted each week for grades 1<sup>st</sup> through 9<sup>th</sup>.

## DRESS CODE

It is the desire of First Baptist Academy that each student maintain an appropriate outward appearance. This appearance should be neat, modest and conservative. We have chosen a uniform for a sense of unity and neatness. Students may not arrive in or change into clothes when leaving that are not consistent with the school's dress code. Students are not to wear heavy sweaters, bandanas, hoodies (including FBA hoodies) or jackets in class. Only FBA uniform apparel, including jackets and sweaters, are permitted to be worn in class. Long sleeved t-shirts worn underneath the polo shirt must be plain (no graphics) and matching the FBA polo on top. Students are not permitted to borrow clothes from the opposite sex (guys wearing girl's clothing and girls wearing boy's clothing). Students are not permitted to wear or use head phones, ear buds, or blue tooth on school or church property or during any school function.

FBA reserves the right to interpret these handbook guidelines on an individual basis for each aspect of the dress code.

## DRESS CODE FOR BOYS

Hair:

Each female's hairstyle and coloring should look neat, conservative and feminine. Hair color must be a natural hair color if it is dyed during the school year.

## TUITION

A complete listing of all fees and yearly tuition will be given to each parent at the time of enrollment. A signed financial enrollment contract must be on file in the office before a student can come to class. All fees and tuition for each grade will be due regardless of absences or holidays. Tuition is based upon a yearly rate and is pro-rated according to when the student is registered. All payment plans are based upon the yearly rate. Fees and tuition will not be refunded for any reason. When a child is withdrawn, a withdrawal fee of \$250 per child is due and a balance can be required as there are 9 months of school and 10 monthly payments. Tuition will be pro-rated and the balance will be due upon withdrawal. School records and transcripts will not be released until all balances are paid.

## PAYMENT POLICY

Tuition is payable through the FACTS management system online. Parents, after admission into FBA, will be directed to the enrollment process which will direct them to set up a payment plan on FACTS management system online. Tuition may be paid in one or two payments (with a \$20 FACTS annual fee per family) or in ten monthly payments (with a \$50 FACTS annual fee per family), with the first payment due on the 5th or 20th day of August. The remaining nine payments are due on the 5th or 20th day of each month from September to May according to the date that the parent's decide. Payments may be paid anytime online through FACTS. If there is ever a problem making a payment, please contact the Financial Administrator, Lydia Platt. Tuition or fees must not be put into any church offering. The Activity Fee is due by July 20th of the upcoming school year. The registration fee will be required at the time of enrollment. If enrollment takes place during the school year, all fees and the first month's tuition payment will be due upon enrollment. Also, if a student enrolls once school has already begun, the

payment plan will be based upon the yearly rate not the 10 month plan and will be pro-rated accordingly (with a FACTS annual fee based on their number of payments).

If monthly payments are returned through FACTS, a \$30 Returned Payment fee will be assessed by FACTS. A tuition statement will be sent home from FACTS notifying the parent of a past due account. No delinquent account will be carried past the second month of delinquency. Students will not be admitted to class until the balance is paid.

Fees and monthly tuition are non-refundable in the case of early withdrawal. There is a withdrawal fee of \$250 per child. Tuition will not be refunded under any circumstances.

During the school year, a family's Incidental Fees Account could be billed for the following reasons: Participation in the FBA Athletic Program, After Care, Lunch, and Field Trips. Every charge on this account will result in an email sent to the FACTS customer. The bill is due on the 15<sup>th</sup> day or the next business after the 15<sup>th</sup> of the month following the billing month. The Incidental Fees Account must always be kept current. No delinquent account will be carried past the second month of delinquency. Students will not be admitted to class until the balance is paid.

## BEFORE/AFTER CARE

Before care is provided each morning beginning at 7:00 a.m. at no charge. Any student arriving before 7:00 a.m. will have no adult supervision and the school takes no responsibility for any problems accrued. If students arrive between 7:00 a.m. and 8:35 a.m., students go to the cafeteria for before care. Between 8:35 and 8:45 a.m. students can go straight to their classroom. If a student arrives after the start of school (8:45 a.m.) they must go straight to the office and receive a tardy slip. Parents must notify the office for the student to receive an excused tardy.

Each day parents will have until 3:45 p.m. to pick up children. After 3:45 p.m. each child will enter the after care program and will be charged accordingly. The after care program begins promptly at 3:45 p.m. and will be concluded at 6:00 p.m. No supervision will be guaranteed after 6:00 pm under any circumstances. There is a weekly charge of \$50 or a daily charge of \$10 per student regardless of the hours or days needed and will be billed through Incidental Billing on FACTS (see Payment Policy). This would include younger siblings of students that are involved in the FBA athletics and athletes who are not picked up immediately after practice. Students will not be released to anyone that is not on their pick up list that is on file in the academy office. Please contact in advance our aftercare director if you will not be able to arrive by 6:00 p.m. An additional charge of \$10 per half hour per student will be applied if students are not picked up by 6:00 p.m.

On Early Release days that are planned in the school calendar, there will NOT be aftercare provided.

## LUNCH PROGRAM

Each class has a designated time for lunch. Students bring a lunch each day. We encourage parents to provide a healthy, balanced lunch, without excessive sweets. If a child comes to school without a lunch, the parent will be called and will be responsible for making arrangements for their child's lunch on that

day. For security reasons, food delivery services are not allowed. The church kitchen and refrigerator are off limits to students. They must keep their lunches in their own personal lunch bags with proper insulation, and take the lunch bags home every day. Snacks may be sent for consumption during break time. All heat ups are limited to 2 minutes or less heat up time.

For birthdays, the parent must communicate with the child's teacher and follow the guidelines and procedures established by that teacher. All parents must observe the dress code while visiting.

Lunches can be purchased on certain days. There will also be drinks and ice cream available for \$1:

- Tuesday: Taco for \$1 each
- Wednesday: Wacky Senior Fundraiser for \$5 each (includes drink and side)
- Thursday: Pizza slices for \$1 each

Lunches will be billed on FACTS Incidental Expenses. They will be billed on a weekly basis. In accordance to our financial enrollment contract, the Incidental Expenses Account must be kept current (see Payment Policy section).

## AUTOMOBILES

All drivers are asked to drive responsibly on FBA property. If there is an issue with reckless drivers on school property, the administration will be notified.

Every student's automobile must be registered by the student and the parent in the academy office. Proof of insurance must be submitted to the school secretary and must remain current in the school's filing system. No student may transport any other student at any time, and to any location unless both sets of parents have submitted written permission for each occasion. Carpooling permission may be issued for the entire school year, but a note from the parents of both the student driver and the student passenger being carpooled must be on file in the academy office. No other student has permission to operate another student's vehicle unless stated on the car registration form. Students may not enter their vehicle during school hours without permission and must leave the school property after school in a reasonable amount of time unless involved in FBA extracurricular activities.

It is a privilege for a student to operate an automobile on campus of First Baptist Academy. This privilege can be revoked at the discretion of the administration in matters of reckless driving, disobedience of unapproved riders, and the lack of the responsible operation of a vehicle.

All student's cars must be parked on the north side of the church parking lot in the grass parking spots. Students may not drive back and forth between the Youth Center, modular buildings, and church building between classes.

## INSPECTIONS/PERSONAL PROPERTY

If administration suspects that any unapproved material exists on the school property, a search will take place. A search may be conducted at any time because registration into the school constitutes parental and student's consent to all such searches without prior notification. Contraband materials will be held

and their return will be based upon the decision of the administration. The school takes no responsibility for the student's personal property.

Students may not go through another student's locker or personal items for any reason.

## CELL PHONE AND PERSONAL ELECTRONIC USAGE

If a parent needs to communicate with their child during the school day, they need to contact the academy office (954-404-7706). If a parent needs to come pick up their student from school early, the office must be notified at the beginning of the day, and the office will notify the student's teacher to dismiss the student from class and come to the office to be checked out (see the Absences, Tardies, & Early Dismissal section).

Students are not allowed to be on their personal phones/electronic devices during class times. Students with cell phones/electronic devices in 6<sup>th</sup> grade and down must keep them in their lockers and powered down during school time. Students in grade 7-12<sup>th</sup> must keep all their personal electronic devices in their lockers during class times. Electronic devices cannot be used in class or lunch unless permission is granted by their teacher. If a student uses an electronic device without permission during school (including lunch times), the device will be confiscated and must be checked out of the FBA office by the parent after school.

## COMPUTER/INTERNET USAGE POLICY

FBA has been richly blessed in the area of computer hardware and software. This blessing also brings an increased responsibility to use computers wisely. Biblically, this means using computers honestly and ethically. The world's standard for handling computer software is not God's standard. We must guard ourselves against the "everybody's doing it" mentality. Enforcement of these rules will be based on the principles of trust and honesty. Therefore, the following rules apply:

1. The computer teacher will assign a computer and password to each student in a class using the computers. The student is not allowed to change the password from the teacher's assigned password.
2. Account access is to be confidential at all times. No student should ever access another's account for any reason. Passwords are to be confidential. Failure to abide by this standard could result in loss of computer access and immediate withdrawal from computer class.
3. Student work is to be considered personal and is not to be copied or printed for another student's use.
4. Any damages or expenses to the hardware or software of Academy, faculty, and staff computers will be billed to the family's FACTS Incidental Billing account.

Regarding use of all computers at FBA, no computer is to be used for:

1. Copying copyrighted software; this is not only dishonest, but it is illegal.
2. Importing programs from outside the school.

3. The campus computers are off limits for playing games. Games may not be brought from home to play on school computers.

Students may be given a detention if they do not comply. Violations of the above rules will be treated like any violation involving dishonesty and cheating. If you have any questions, please see a teacher.

It may become necessary to store some students' work on individual school computers. When this is necessary, the student's folder on the hard drive will be treated the same as external memory devices. Files are to only be used by that student. They are never to be used by any other student for any reason. Using or viewing any other student's work will be treated the same as using that work for one's own purposes and is considered cheating.

Students are never to have access to the Internet without teacher supervision. This also applies to the use of wireless technology.

## LEAVING SCHOOL

If your child needs to leave school early (Early Dismissal) for any reason, arrangements must be made with your child's teacher (K5-6<sup>th</sup> grades) and the academy office (all grades). Students must bring a note signed by the parent to the office or the teacher must email the office at the beginning of the school day, informing the office about their early dismissal to allow for the teachers to be notified in a timely manner (see Absences, Tardies, and Early Dismissal section).

No student may leave with another student unless both sets of parents give written permission to school officials. Students will only be released to those people who are on the student pick up form. Parents must give written permission for someone who is not on the list. Photo identification will be required from that person before a student is released.

## VISITORS

No visitor is permitted to attend a class or tour the grounds until the academy office is notified and permission is secured. All visitors must receive a visitor's badge from the office immediately when they arrive on campus. The visitor's badge must remain visible at all times when on campus. Any person violating these policies or posing a threat to the well-being of any person related to the First Baptist Academy will be escorted off the campus by any necessary measures. Visitors will be asked to present photo identification and state the purpose and length of their intended stay. Visitors will be accompanied by a staff member when given an administrative tour.

## PARENT-TEACHER MEETINGS

Parents or visitors are not permitted to go straight to a classroom to talk to a teacher. Please sign in at the office and receive a visitor badge first. Appointments with your child's teacher are to be scheduled ahead of time via email on ParentWeb. Please do not text or call FBA staff members on their personal cell phones. Always contact the office first or send an email on ParentWeb if you have a question or

concern. Parents should refrain from impromptu meetings as teachers are often busy with classroom responsibilities before and after the school day. Mind the teacher's time in their classrooms before and after school.

## FIELD TRIPS

Each class will take field trips periodically throughout the year. Permission slips with details about the field trip will be sent home for all field trips as parental permission is required. Parents may accompany the class but are required to observe the school dress code. At times, special field trips will be scheduled for those eligible students meeting the academic and behavior requirements. Field trips will be billed accordingly on FACTS Incidental Expenses.

## MEDICAL INFORMATION & MEDICATIONS

Student medical information must always be up to date in the office. Medical information is updated yearly during re-enrollment on ParentWeb. If a student develops any medical condition during the school year, the office and teachers must be notified and their medical information updated on ParentWeb.

If any medication is required during school, these guidelines must be followed:

- If the medication is taken daily during school hours, the office must have a medication form on file for your child that includes medication time and dosage amount.
- Your child cannot keep any medication with them during school hours. The medication must be given to the office and the child must go to the office to take their medication.
- If a child needs to carry an EpiPen or asthma inhaler with them for emergency situations, a doctor's note must be on file in the office.
- Before a child can take over the counter medicine, like Ibuprofen, Tylenol, Benadryl, and Cortisone, permission must be on record. Each family gives permission for these OTC medicines in their enrollment forms. Changes to these forms can be made in the office at any time during the school year. **Students cannot carry OTC medications with them on school property or during a school sponsored event.**

## ILLNESS & COMMUNICABLE DISEASES

Students who are ill are asked to remain at home until their illness is no longer contagious. Students who are obviously ill will not be admitted to class and need to be picked up from the academy office immediately. If the parent is not available to pick up a sick student from school right away, an emergency contact must be used to pick up the student. Students who have had a fever are asked to be fever free for 24 without fever reducing medication before returning to class. Parents are asked to notify the academy office each morning the child is sick. Upon return to class, parents need to send a note or doctor's excuse to the office explaining the child's absence(s).

In the interest of both well and sick children, it is the policy of FBA not to accept students with known life-threatening communicable disease. If any student of FBA contracts such a disease, they will no longer be eligible to be a student at FBA in the best interest of protecting all students and personnel involved in FBA.

## CONCLUSION

First Baptist Academy may interpret the preceding information contained in this handbook in any way it deems necessary for preservation and consistency as well as for the protection of its staff and students. The administration also reserves the right to verbally add to the current policies or interpret measures which need to be taken when situations are presented that are or are not covered in this document.

## SPECIAL THANKS

A special thank you is extended to parents and students for enabling this school to have a part in their education.

May God continue to bless and be pleased with First Baptist Academy and all who are associated with FBA. If there is any other way that FBA can be a help, please do not hesitate to call the academy office.
